

**T-33-1 – “Grassland Bird Use of Warm Season Grass Buffers (CP33)”**

and

**T-34-1 – “Pileated Woodpecker Banding and Foraging Analysis (A Surrogate for the Ivory-billed Woodpecker)”**

Neither grant was implemented although they were assigned a State Wildlife Grant identification number. T-33-1 was withdrawn by the Louisiana Department of Wildlife & Fisheries. T-34-1 was disapproved by the U.S. Fish and Wildlife Service. No work was completed for either grant. No State Wildlife Grant funds were obligated to either grant.

**For more information** about these State Wildlife Grants, please contact the State Wildlife Grant Coordinator, LDWF Fur & Refuge Division.
